Residential Care

Dementia Care

Respite Care - holiday stays and short term care

Samuel Hobson House provides the very best in 24 hour dementia care for people over the age of 55. Registered for 39 residents, Samuel Hobson House is a modern, purpose built care home arranged on three floors.

Our conscientious care planning focuses on remaining healthy, active and living as full a life as possible. Our team of highly skilled and attentive staff focus on all the needs of the ladies and gentlemen who live here with us.

We aim for a relaxed, safe and comfortable environment. Friends and family are free to visit any time they wish.
