Residential Care

Dementia Care

Respite Care - holiday stays and short term care

Mayfield House provides residential care and dementia care for older people who can no longer live within their own home. Registered for 51 residents, Mayfield House is modern, purpose built care home arranged on two floors.

Mayfield House is welcoming, attractive and safe for our elderly residents with wonderful facilities, patio areas and inviting landscaped gardens.

Our aim is to create a homely and supportive environment which respects independence and enables the ladies and gentlemen who live with us to achieve as full a life as possible.

Accommodation

- Personalised bedrooms with en-suite facilities
- Staff call bell system
- Rooms available with garden views
- Double rooms available
